In the bestselling tradition of The Interestings and A Little Life, this “cleverly constructed and emotionally compelling” (San Francisco Chronicle) novel follows four young adults in the mid-20th century as they take different paths in life, yet always follow the threads of their past and are pulled by the events that define their lives. In the decades between the two world wars, New York City is a place of dreams, where fashion and culture reign supreme. But the".

The story of Jude, Frannie, and Nick as they come of age in the
decades between the two world wars. The story of Jude, left partially disabled by a terrifying injury as a teenager, is distraught about his past and hides most of that past and himself from others, even those closest to him. The story of the way in which three very different lives come to be connected through a single event, and how Jude and Frannie bond with one another in the form of a deep, passionate love. The story of the way in which Jude’s childhood is marked by...
...passion. In taking a hard look at her own character, Claire finds that her loveable qualities are sometimes squashed by mistakes, like the evenings she blurts...
